Transformation Consultant and People Analytics Leader. Trusted advisor to 20+ MENA organizations, specializing in AI-driven HR solutions, M&A integrations, and aligning organizational culture with business strategy. As a certified PMP®, PMI-RMP®, and Prosci® practitioner, I am dedicated to turning scattered enterprise data into scalable intelligence and measurable business impact.

EXPERIENCE:

• People Lab Section Head (People Analytics & Research)

April 2026 - present | Elm Company (PIF subsidiary)

- Building a centralized, AI-enabled data platform and actively unifying scattered data across the enterprise into a single, scalable engine for taking the right decision.
- Developing Predictive Analytics by creating AI models to forecast organizational risks and building the systems to connect the dots across complex datasets, predicting burnout, turnover, and engagement drops before they happen.
- Establishing a Research Hub: Positioning the lab as a premier research center and partnering with top Saudi universities to publish deep research, enrich Arabic HR content, and target global industry awards.
- Scaling Culture & EX Transforming culture and employee experience from gut-feel initiatives into a data-driven strategy, ensuring every organizational change is backed by evidence.

• Culture & Employee Experience Lead

May 2025 - April 2026 | Elm Company (PIF subsidiary)

- Lead all Culture & Employee-Experience functions—culture, engagement, change, and IP governance—across Elm and its subsidiaries, shaping the experience of ≈ 7 000 employees.
- Lead the M&A HR work-stream of the Elm × Thiqah merger, integrating HRIS, culture, total-rewards, and policy frameworks for ≈ 3 000 employees.
- Lead Najd 2.0 as Product Manager, steering a cross-functional squad to convert Elm's first fully Saudi, on-prem AI HR into a sell-able product—piloted in-house (-48 % HR tickets) before hand-off to the delivery team,

• Culture & Employee Experience Consultant

Oct 2023-May 2025 | Elm Company (PIF subsidiary)

- Led the Innovative “Najd” Project:** Directed a cross-functional team to develop Najd, Elm's first fully Saudi, on-premise AI chatbot integrated with Microsoft Teams, tailored to local business needs and managing HR information through a RAG system.
 - Achieved Significant Impact:** Saved approximately SAR 1 million by building the solution internally, transformed Najd into a marketable product generating new revenue streams, and streamlined client operations with a user-friendly interface.
- Designed and implemented the M&A Playbook, covering all aspects of mergers and acquisitions to ensure seamless integration and alignment with company objectives.
- Developed a comprehensive due diligence assessment framework tailored to Elm's specific needs, enhancing the accuracy and efficiency of acquisition evaluations.
- Refined Elm's values and identified core and leadership competencies, aligning them with the company's strategic culture goals.
- Revisited and refined existing processes to enhance employee experience journeys, ensuring continuous improvement and alignment with organizational goals.

• Consultant

Sep 2023-Oct 2023 | Baseqat Arabia Consulting

- Led all Denison organizational culture projects in MENA, focusing on improving workplace dynamics and fostering positive change.
- Led projects to evaluate leadership competencies for major clients in Saudi Arabia, ensuring alignment with organizational culture and strategic goals.
- Revisited and fixed processes to improve overall employee and organizational experience, ensuring sustained cultural alignment and operational efficiency.
- Engage in business development activities, aiming to elevate the success rate of customer acquisitions and foster sustainable growth.
- Manage relationships with project stakeholders, ensuring successful project implementation and fostering long-term partnerships.

• Business Analyst

Jul 2022-Jul 2023 | Baseqat Arabia Consulting

- Led 15+ organizational culture transformation projects for top-tier Middle East firms (STC Group, Mobily, SANS, GEA, and more) in partnership with Denison Consulting company.
- Crafted tailored change culture action plans for diverse organizations, optimizing employee adoption and minimizing resistance.

- Designed HR strategy and operating model for Weqaa Center's separation from Ministry of Environment, Water, and Agriculture.
- Advised AMSB BAESHEN on competency selection aligned with strategic vision.
- Reengineered key processes at Weqaa Center, drafting standard procedure architecture to streamline operations and enhance efficiency.
- Enhanced client journeys, addressing pain points and boosting touch points.
- Championed CRM creation at Baseqat, streamlining operations.
- Developed and optimized end-to-end sales cycle, elevating lead gen to cash collection.
- **Training Coordinator**
Jan 2020-Jul 2022 | Naf3 Training Company.
 - Led all aspects of the training process, overseeing the development, implementation, and evaluation of training programs.
 - Standardized training processes and developed procedures to measure program outcomes, leading to enhanced training effectiveness and consistency.
 - Designed training workflows, ensuring alignment with organizational goals and improving overall training delivery and outcomes.
- **Mechanical Engineering Intern**
May 2021-Aug 2021 | Jeddah Municipality
 - Designed a fire extinguishing system (FM200) for one of the facilities of Al-Salam station.
 - Followed up on the work progress of Al-Asala rainwater drainage project and Al-Salam station.

FREELANCE & SME ENGAGEMENTS:

- **Senior Consultant (SME)**
Jan 2024 - Dec 2024 | HR Leaders Consulting & Baseqat Arabia Consulting.
Royal Commission for Jubail and Yanbu (RCJY):
 - i) Developed a Power BI dashboard to analyze employee turnover across four cities, identifying key challenges and data-driven solutions.
 - ii) Contributed to manpower planning strategies to address workforce gaps.
- Provided SME insights on multiple strategic projects, focusing on process optimization and cultural transformation initiatives.
- **Senior Consultant (SME)**
Nov 2024 - Jan 2025 | Cornerstone Consulting.
